Gene Wilson
Freedom of Information Coordinator
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Wilson:

This is a request under the Freedom of Information Act, as amended (5 U.S.C. 552).

I write to request a copy of all files in the Central Intelligence Agency indexed or maintained under the names of:

1. The University of Arizona
2. The University of Alaska
3. The University of Arkansas

and all documents retrievable in a search for documents relating in any way to the University of Arizona, the University of Alaska, and the University of Arkansas. This request includes, but is not limited to, all files or documents relating to past or present contractual arrangements or agreements, or any other relationships -- paid or unpaid, formal or informal, witting or unwitting -- between the CIA and the University of Arizona, the University of Alaska, and the University of Arkansas or any of their personnel.

By "personnel," I mean any person affiliated with the University of Arizona, the University of Alaska, or the University of Arkansas, including faculty, teaching assistants, research assistants, administrative officials, undergraduate, graduate or non-credit students, and academic or non-academic staff.

"Relationships" includes any activity relating to recruitment, research, collection or dissemination of information, consulting work or carrying out of intelligence operations, as well as activity described by the April 1976 Report of the Senate Select Committee on Intelligence Activities (p. 191, Book 1) as

"...Making introductions for intelligence purposes, intelligence collection while abroad, academic research, and writing where CIA sponsorship is hidden."

MORI/CDF

As you know, the amended Act provides that if some parts of a file are exempt from release that "reasonably segregable" portions shall be provided. I therefore request that, if you determine that some portions of the requested files or documents are exempt, you provide me immediately with a copy of the remainder of the file or document. I, of course, reserve my right to appeal any such decisions.

If you determine that some or all of the requested information is exempt from release, I would appreciate your advising me as to which exemptions you believe covers the information which you are not releasing.

I am prepared to pay costs specified in your regulation for locating the requested files and reproducing them. However, if you estimate the cost will exceed \$10, please notify me.

As you know, the amended Act permits you to reduce or waive the fees if that "is in the public interest because furnishing the information can be considered as primarily benefitting the public." I believe that this request plainly fits that category and ask you to waive any fees.

If you have any question regarding this request, please telephone Sylvia Spencer, a member of my staff who is handling this for me, at 225-9790.

As provided for in the amended Act, I will expect to receive a reply within ten working days.

Sincerely,

Morris K. Udall
